2010 BIKE MS COAST THE COAST SUCCESS!!

1,600 Cyclists Raise Over \$992,000!!

Congratulations to all of our cyclists and volunteers for making the 2010 Coast the Coast Ride outstandingly successful! We are so thankful for your dedication to the ride and your passion for creating a world free of MS. You have risen to the challenge and raised over \$992,000!

There were many successes along the way and we've heard from many of you who took the challenge of riding and fundraising to a new high. For some there was the goal of riding 25 miles after a diagnosis with MS or after a year of medical treatments. Others chose to become Super Cyclists and raised over \$1,000 their first year of participating. Whatever reason you rode or the goal that you set, congratulations on a job well done!

THANK YOU CYCLISTS, VOLUNTEERS AND SPONSORS!!

2010 SUPER CYCLISTS RANKINGS

Huge thanks go to the top fundraiser, Sy Levine, who raised \$26,538! Sy leads the Super Cyclists, who as a group, raised \$488,773!! These cyclists are offered special Bike MS Coast the Coast jerseys, invitations to special award and recognition events as well as our annual meeting and other perks. Thank you Super Cyclists!

TEAM SUCCESS AND RANKINGS

The 2010 ride boasted 1,600 registered cyclists of which 1,090 rode as a team member on one of the 128 teams. Our teams are responsible for raising nearly 2/3rds of the total funds and they are key at putting the FUN in Fundraising!

Here are some of the team successes for the 2010 ride:

28.

Annie's Peeps

Just like the company they represent, Team Vitamin Shoppe is the leader! They are the winners of two awards, the Team Champion Award for being the top fundraising team with \$82,044 and also the Largest Team Award with 82 members. Co-captain Mike Provost and Rich Tannenbaum rallied the employees, customers, friends and family to bring success for a second year in a row in both categories!

Lead by the passionate Team Captain Paul Chowansky, the Pine Bay Barrens win the Breakout Team Award. The team increased from 9 members in 2009 to 73 members who raised over \$48,000 in 2010! Congratulations!!

The Most Team Spirit Award goes to Team Aloha – St. Leo's for their zany spirit, welcoming all with "ALOHA!" and a Hawaiian lei! This little team is big on making friends with other cyclists and volunteers from Monmouth U to Cape May.

First-timers Team CentraState created some fervor with the Rookie Team Award and the Best Dressed Team Award. Their 36 members raised over \$21,000 and dressed in high style with very sporty jerseys featuring the MS colors! Great job co-captains Karen Walker and Ron Sebastiani!!

YOUR SUCCESS CREATES CONTINUED ADVANCES FOR THOSE LIVING WITH MS

Your fundraising goes towards national research projects as well as helping those living with MS in our local area. A major advancement for those getting treatment for their MS was announced this September. The U.S. Food and Drug Administration has approved fingolimod capsules (Gilenya,TM Novartis International AG) for reducing the frequency of clinical relapses and delaying the accumulation of physical disability in relapsing forms of MS, making it the first oral disease-modifying therapy for the treatment of multiple sclerosis. This is very encouraging news as only injectable drugs were available before now.

KERSHAW COMMONS BREAKS GROUND

The New Jersey Metro Chapter is proud to announce that construction has just begun on New Jersey's First Supportive Housing Community for People Living with Multiple Sclerosis! The Kershaw Commons, to be located in Freehold Township, NJ will offer 30 one and two bedroom accessible independent rental apartments with rental assistance for qualified applicants. The Commons community space will include a library, technology room, exercise facility, programming space and an accessible garden. This housing complex is expected to be completed by Fall of 2011 and is located less than 1 mile from the CentraState Medical Center's Multiple Sclerosis Center and MS Wellness Center!
